

New Fastkart Location in Layton Utah!

I know I have been on a bit of a Hiatus for a few months but there is a reason. Fastkart has just taken over Speedstreet Indoor Racing in Layton Utah. It took a little longer than expected to conclude this transaction but now it's done and we are ready to race in Layton!

Until we change the web site and signage you can check them out at www.speedstreetracing.com

If you are already a Fastkart fan and want to check Speedstreet in person you can find Speedstreet at 421 N Marshall in Layton. Take Hill Field Road west off I15 then turn left at Stock Building Supply.

We are really excited to welcome the staff and all of Speedstreet fans from the Northern Wasatch Front.

Other exciting news, look for Fastkart around point of the mountain very soon!

See you at the races,

Joe Miller
